CLOSING OF SCHOOLS

Preparations in Course for the Usual Appropriate Exercises

MAYSVILLE HIGH SCHOOL.

With nearly two months before the term expires, appropriate exercises marking the close of the school year are now being mapped out by the teachers of the Public Schools.

This year there are nineteen members of the Senior Class at the Maysville High School, all of whom, upon completing the course and successfully taking the required examination in June, will be given their diploma.

The closing exercises will be somewhat out of the ordinary this year.

It is proposed to have an all-day's program on Thursday, June 9th, at Washington Opera-house—during the day the essays of the graduates, and in the evening the presentation of Diplomas by the Hon. Clarence L. Sallee, President of the Board of Education, followed by a Class Address by the Rev. Dr. E. L. Powell of Louisville.

Interspersing the program will be music by the Maysville Orchestra.

The members of the Senior Class are—

Misses—
Winnie Elgin, Nellie Greenlee,
Emma Walthor, Mary McAuliffe,
Virginia Wetzel, Ethel Eitel,
Lena Daulton, Lulu Dawson,
Jessie Chisholm, Sophia Poth.

Measrs—
Morris Kirk, Wadsworth Colo,
Thomas Rees, Joseph Gray,
Andrew Tynlor, James Irvine,
Charles Sweet, Frank Wilkes,
James Raep.

Mr. Thomas Rees, one of the best pupils in the class, is now quite ill with appendicitis.

The term this year has been unusually successful, gratifying to all connected with the work.

COLORED HIGH SCHOOL.

The Colored High School, under the efficient Principals of Prof. C. W. Reynolds, will have six graduates, as follows—

Misses—
Maria Jane Smith, Essie Williams.

Measrs—
George P. Hinton, James A. Mundy,
Samuel W. Robinson, Charles L. Harris.

The exercises will take place at Washington Opera-house on Friday evening, June 10th.

Miss Hattie Mae Bond has been very ill this week at her home in West Third street.

John Bennett, the Negro wife murderer, was electrocuted at midnight Thursday in the Ohio Penitentiary at Columbus. Death was instantaneous. A sum sufficient for a coffin and transportation to Maysville was made up among the convicts of the prison, and his body was brought here for burial last night. The funeral will take place at Washington at 2 o'clock tomorrow afternoon.

BIG TOBACCO SALES

Immense Profits on the Purchases Bought By Continental

Yesterday was an unusually active day in the tobacco market in this city.

The Continental bought nearly everything in sight, and a number of firms and individual dealers reaped a rich profit on their season's purchases.

Some of the sales noted are—

Rains Bros., 170,000 pounds; price private.

Howard & Kirk, 120,000 pounds at 16 1/2 cents, all around; the highest price paid this season.

Robert Wells, 160,000 pounds at 14 1/2 cents.

Thomas Malone & Co. closed their deal last night with the Continental for their purchase of over 900,000 pounds of tobacco at 11 cents.

They realized \$45,000 profit on their holdings.

Mr. Malone himself has a purchase of 150,000 pounds on which he will realize enough on the whole deal, counting his commission, to net him \$25,000.

This is the largest sale of the weed made by one firm in the state.

TWO HOBOES HURT

Fell Off Freight Train While Passing Through City Yesterday

It's possible that the C. and O. people will have several damage suits on their hands for carelessness in transporting two hoboos who were beating their way on freight train No. 76, Eastbound.

Charles McClanahan, 22, and Samuel Brevard, 17, both residents of Augusta, boarded No. 76 yesterday for passage to this city and Vanceburg.

According to McClanahan's story he was sitting on a coal car and while in that position and just as the train was passing over the bridge that crosses Bridge street, he was pushed off by a hobo, who was a stranger to him.

In the fall his body struck the iron siding of the bridge and bouncing outward fell to the ground, a distance of twenty feet, where he was found and restored to consciousness by Mr. L. F. Pigg, who was nearby at the time of the accident.

He was cut about the head and otherwise bruised.

Samuel Brevard, companion of McClanahan, says he was sitting on the footboard of a tank car and fell off opposite Crowell's tie yard in the Fifth Ward just as No. 31 was passing West.

He is bruised about the head, face and hip. That he was not ground to pieces by either of the two trains is a miracle.

McClanahan's parents reside in Augusta.

He says he was coming to this city to visit his sister, Mrs. Lizzie Fryman, who resides in the West End.

Brevard's father lives in Augusta; his mother is dead.

He was on his way to Vanceburg to visit a Mr. Liken.

According to their stories, the train was carrying a full complement of these gentlemen.

Brevard said ten or eleven boys got off the train at the Depot, while a goodly number remained on the train and continued on their journey.

Why the C. and O. Surgeon at this point is expected to patch up and attend hoboos, who are hurt while trespassing on the Company's property, and in many cases afterwards bringing suit for damages—for which the Company is in nowise responsible—is one of those things past finding out.

J. H. Campbell, formerly of Lexington, died in Germany.

The Commencement of the Manchester High School will take place April 28th. There will be ten graduates.

A Cure for Headache.

Any man, woman or child suffering from headache, biliousness or a dull, drowsy feeling should take one or two of Dr. Williams' Little Early Risers night and morning. BLACK PATTI.

The Black Patti's Troubadours will be the attraction at the Opera-house today, matinee and night. The stage scheme of the Troubadours is interesting. The opening skit is called "Darktown's Circus Day," in which the entire company's forces are afforded full scope for their diversified talents. The vaudeville which follows is of the highest standard and all the great specialty performers take part. "The Festival of Operatic Melody," which occupies the final half hour of the performance, serves to introduce Black Patti and the singing forces in one of the most attractive stage schemes ever conceived, and which is generally conceded to be the grand feature of the performance. Another new feature is "Soldier's Camp Glee," a beautiful vocal inspiration recalling the sweetest hits of melody of ante-bellum days, sung by the entire company. Ten high-class vaudeville acts comprise the best olio ever presented by the Troubadours. Secure seats now at Ray's.

GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver; and all the fine spirits ever made in the bluegrass State could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in the condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower, the greatest of all medicines for the liver and stomach, and a certain favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 35¢; regular bottles, 75¢. For sale by Henry W. Ray, Postoffice Druggists.

Passed Stone and Gravel With Excruciating Pains

A. H. Thurnes, Mgr. Willis Creek Coal Co., Buffalo, O., writes: "I have been afflicted with kidney and bladder trouble for years, passing gravel or stones with excruciating pains. Other medicines only gave relief. After taking FOLEY'S KIDNEY CURE the result was surprising. A few doses started the brick dust, like fine stones, etc., and now I have no pain across my kidneys and I feel like a new man. FOLEY'S KIDNEY CURE has done me \$1,000 worth of good."

No Other Remedy Can Compare With It

Thos. W. Carter, of Ashboro, N. C., had Kidney Trouble and one bottle of FOLEY'S KIDNEY CURE effected a perfect cure, and he says there is no remedy that will compare with it.

GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver; and all the fine spirits ever made in the bluegrass State could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in the condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower, the greatest of all medicines for the liver and stomach, and a certain favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 35¢; regular bottles, 75¢. For sale by Henry W. Ray, Postoffice Druggists.

GO TO THE RESCUE

Don't Wait Till It's Too Late—Follow the Example of a Maysville Citizen

Rescue the aching back.
If it keeps on aching, trouble comes.
Backache is kidney ache.
If you neglect the kidney's warning,
Look out for urinary trouble—diabetes.
This Maysville citizen will show you how to go to the rescue.
Edward Oliver of 108 West Fourth street says:

"It did not require an entire box of Doan's Kidney Pills to entirely end backache which had troubled me for a considerable length of time. I procured the remedy at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and my advice to anyone in need of a kidney cure is to try Doan's Kidney Pills and they will not be disappointed at the results obtained."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Don't Neglect Yourself.

1458 Second Street, LOUISVILLE, KY., April 14, 1908.

I have been weak and sickly for the past four years, caused by irregularity and carelessness regarding the laws of health, but about five months ago my condition became very serious. I had severe backache and suffered a constant dull pain in my head. I spent weary, painful days, and miserable, restless nights. The doctor told me that I must have patience.

His medicine did not, however, give me even temporary relief and as I had been told of the curative qualities of Wine of Cardui I decided to try it.

I found that it relieved me of pain. As my general health improved my other troubles were gradually diminished and after five weeks' use of the Wine of Cardui I was once more a well and happy woman.

WINE OF CARDUI

Wine of Cardui regulates the menstrual flow, banishes headaches, backaches and bearing-down pains. Severe headaches, bearing-down pains, indigestion, loss of appetite and nervousness are symptoms of female weakness and should be given prompt attention. If you are troubled with menstrual irregularities do not let them run on. They will certainly grow into dangerous and chronic troubles. Get a bottle of Wine of Cardui and begin treatment at once.

All druggists sell \$1.00 bottles of Wine of Cardui.
